**BIA-MA 41st Annual Brain Injury Conference**

field, resources, support, and a sense of the community for those affected by brain injury. It is BIA-MA's goal and hope that this conference will serve to promote the development of clinically informed programs and services, which will in turn, enhance positive outcomes and the quality of life for persons living with an acquired brain injury.

**Financial Support:** Any potential commercial support associated with this educational activity is being mitigated by CME Outfitters, LLC prior to the event. Please contact [education@biama.org](mailto:education@biama.org) for more information.

**Unlabeled Use Disclosure:** Faculty of this CME/CE activity may include discussions of products or devices that are not currently labeled for use by the FDA. The faculty have been informed of their responsibility to disclose to the audience if they will be discussing off-label or investigational uses (any uses not approved by the FDA) of products or devices. CME Outfitters, LLC, the faculty, and BIA-MA do not endorse the use of any product outside of the FDA labeled indications. Medical professionals should not utilize the procedures, products, or diagnosis techniques discussed during this activity without evaluation of their patient for contraindications or dangers of use.
